

**National Telecommunications Regulatory Commission
(NTRC)**

**Request for Proposals
4th October 2024**

Universal Service Fund Project

**Wireless Internet Access (Public Wi-Fi Hotspots) at
designated geographic locations**

1. The National Telecommunications Regulatory Commission (NTRC) invites sealed bids from licenced telecommunications providers to supply and install wireless internet access (Public Wi-Fi hotspots) at designated geographic locations to provide wireless internet access to users in designated geographic locations. The NTRC has received funding in the form of Universal Service Fund Contributions towards the cost of the “Universal Service Fund Project” and intends to apply a part of the proceeds toward the Universal Service Fund Project.
2. Bidding will be conducted through competitive bidding procedures in a manner consistent with fair competitive, international best practices and existing sector policies such as the Universal Service Fund Regulations and Guidelines.
3. Interested eligible bidders may obtain further information, and inspect the bidding document, at the National Telecommunications Regulatory Commission Grenada at the addresses below Mondays to Friday from 8:30 am to 4:00 pm. Interested eligible bidders must register with the NTRC to receive Request for Proposals by providing the names, designations and contact information of their representatives who should be contacted on matters relating to these documents and forwarding a request via email to usf@ntrc.gd .
4. All bids must be delivered to the National Telecommunications Regulatory Commission at the address below by 10:00 am on November 5th 2024. Late bids will be rejected.
